Yachting's rich heritage makes it one of the most respected and enduring brands in the marine industry. Since 1907, Yachting has been at the forefront of the sport with intelligently written columns and features designed to fuel the passions of the active boater. Yachting's editorial team consistently delivers select content that enlightens and educates boaters of all experience levels and ultimately enhances the boating experience. Through all of our channels, engaged audiences enjoy award-winning, visually-exciting coverage of premium yachts, technology, design, seamanship, destinations, electronics, equipment, exotic charters, current events and the history of the sport.
